Website

Our new website is very nearly ready to go live and we are aiming for a launch date of Friday 30th September. Thank you for your patience while the new site has been under construction.

Jeans for Genes

Don't forget that on Friday 23rd September we will be supporting Jeans for Genes, a charity which helps people with genetic disorders. Children are asked to come to school dressed in denim in return for a £1 donation.

Volunteers

We are always keen to welcome volunteers who would like to help in class and with other aspects of school life. We would particularly like to hear from any green-fingered parents or carers who could help keep our rose garden and other planted areas looking good. Volunteers who have regular contact with children will need a DBS check. Please talk to Mr Emery in the School Office for more information. Thank you.

Creepy Claws

Creepy Claws club is now full. The club has proved to be extremely popular with both the term 1 and term 2 groups filling up very quickly. A list of pupils who are included in the second group starting 31st October will be displayed on our board outside the school office. Please make your payment of £24 to the school office as soon as possible. Thank you.

School Uniform

Thank you for making sure your child comes to school with the correct equipment and following our school uniform policy. The children are looking much smarter now that almost everyone is meeting most aspects of the uniform code. Can I remind you again about the requirements for socks;

Boys – grey or black socks

Girls – Knee-length white or grey socks, or grey or black tights. Grey or black socks with trousers

School Meals

Caterlink are committed to provide meals for children needing special diets for medical and cultural requirements. If your child has a special diet need/allergy the kitchen need to be aware of, please collect a form to complete from the School Office.

Do you like singing?

Why not join Boughton Monchelsea Community Choir on Monday 19th September 7-9pm in the Community Room? Fiona Kenward would love to see you!

Year 6

Year 6 pupils will have brought home a leaflet '2017 Transfer to Secondary School'. Parents are directed to www.kent.gov.uk/secondary_admissions for further information.

Websites

Parents, we would like your help. We think it would be a great idea to have a page on our new website with links to other websites that parents, children and teachers have found great for learning from.

We have asked the children and staff already – if you have any recommendations please send them to Mr Stevens at class6@boughton-monchelsea.kent.sch.uk. They can be on any subject and suitable for any Primary age.

Consent Forms

A consent form for school trips and other off-site activities was sent home this week. Please can you kindly complete and return the form to the school office as soon as possible. Class 5 have an offsite visit on Tuesday morning so please can we have Class 5 forms back by Monday 19th September. Thank you.

Great Work!

Class 5 have been writing poems with metaphors. Here are two entitled What is the Sun?

The sun is a shiny blob of yellow paint spilt on a navy carpet
It's a middle of a buttercup in between lots of bluebells
It's the flames of a burning torch
There is a gold pin laying on a piece of turquoise card
A yellow sponge ball on a blue blanket
A bunch of bananas sitting in a blue bowl

By Freya G

It's a yellow scoop of ice cream in a blue bowl
A gold football on an aqua pitch
An orange spider's web on a sapphire wall
A red rubber ring on the turquoise sea
A gold dinner plate on a blue table
