E-safety Parents Meeting

Please join us on Thursday 9th February at 6pm for a workshop where we will be exploring the risks and benefits of children using the internet and discussing how parents can take practical steps to monitor and support safe internet usage at home. The meeting will last about an hour, and refreshments will be served. We do hope that you are able to attend.

Litter

On Saturday, a group of volunteers from the village carried out a litter-pick around the area of the school. They managed to fill a large bin bag with rubbish picked from the hedges and paths, with items such as drinks cartons, bottles, bottle tops, silver foil, straws and wipes. The bag of collected rubbish was shown to the children in assembly on Monday and they were shocked to see how much had been collected. We have been encouraging the children to dispose of their waste carefully in school and have reminded them that it is important to do the same when they are walking to and from school. Although we know that not all of the rubbish is caused by our pupils and families, we would appreciate your help in making sure that children (including pre-schoolers) do not drop litter in the streets around the school. Thank you.
