

Year R-Term 5

April 2017

Superheroes!

Dear Parents and Carers,

I hope you have all had an enjoyable Easter Holiday.

The children have chosen Superheroes for this term's topic.

We will also be learning about Space.

Please complete the topic ideas sheet and send it back in as soon as possible.

This term the children will be working towards their Early Learning Goals.

Reading Superhero Challenge

This term the children will be given a bookmark to keep with their reading book. Every time your child reads with you at home they will get a sticker to put on their bookmark. (They do not have to finish their reading book in order to get a sticker). When their book mark is full, they will receive a reading challenge certificate. Please remember to write in your child's reading record every time you hear them read.

Forest School

The children will have their first session on Tuesday 25th April 2017.

Please remember to provide your child will suitable clothing. We will splitting the class into two groups. Group 1 will have their session in the morning and Group 2 will have their session in the afternoon. We will then alternate, so for session 2, Group 2 will have their second session in the morning and Group 1 will have their second session in the afternoon.

Stay and Play

Thank you to parents who attended one of the phonics sessions last term. Your child thoroughly enjoyed your interaction and were counting down the sleeps until it was their turn.

This term's focus will be maths. A letter with dates will be sent out next week. I will include a variety of dates and offer some morning and afternoon sessions so as many of you are able to attend as possible.

Swimming

Our swimming slot is every Friday after lunch (1.10pm - 2.50pm).

We are in need of parent helpers in the pool. A sign up sheet will be put on the board outside the office. Please add your name to any date you are able to help. If we are short of help, then we will be unable to swim.

P.E.

As the weather is getting warmer, the children will be able to take part in daily physical activities, so they will be no set P.E lesson this term. Please still provide your child with a P.E kit.

As always please feel very welcome to approach myself, Miss Bailey, and Mrs Elphick with any questions.
