Half Term Clear Out

Please join us on Monday 23rd October from 10.00am for a general tidy-up of the school grounds. It would be helpful if you could bring along brooms and gardening equipment. Refreshments will be provided!

Thank you to all those who supported Class 4's wonderful art gallery this week. As you can see, it was beautiful.

Maths Workshop

Parents of children of all ages are invited to our Maths workshop on 'Problem Solving', which will be held in the Clarke Hall on **Thursday 9th November at 6.00pm** We will talk about the sorts of problems children are expected to solve in their lessons, the problem-solving strategies that children learn, and how parents can support their child at home. We look forward to seeing you there

Thank You

Lots of children have given up their time this week to clear the playground of leaves and make it safe for everyone to use. Thank you for being so kind and responsible.

Netball News

Year 5 and Year 6 played a netball match on Thursday 19th October. We won, which was great. We hope we can keep up the good work.

Year 5 played remarkably well, winning with a great score of 28-2. They played very well for their first match as a team. Matilda was an extraordinary captain. They were very happy to have won and can't wait for future matches.

Year 6 also played extremely well, winning with a great score of 17-5. The players were very proud of the score. Amaryn, our team leader, encouraged us to play out of our skin and gave us tips to improve on, which helped us a lot. We were very excited to have won our first match as a team.

Help!

The Infants need some wood chippings for several outside areas. They wondered if any of our parents work in the tree trade or might know someone who can provide some chippings?
