Maths at BMPS

Today a group of children from years 5 and 6 took part in the Primary Maths Challenge, organised by the Mathematical Association. They battled against some very tough questions with typical determination and are looking forward to finding out the results next week. We will let you know how they got on.

Today also saw the start of the 'Big Maths Learn-it' challenge. Children have had a go at solving questions that test how quickly they can recall addition and multiplication facts. Next week they will try and beat their score. Good luck everyone!

Football News

Tiger school 0 – 6 Boughton Monchelsea

Boughton played Tiger school for the second time this season, this time away at New Line Learning. After a scrappy start Boughton began to play good passes in midfield, using the space well. They finally broke through with a goal from Thomas P. A second goal quickly followed - this time a long-range effort from Astyn following a rebound from a Max C shot. William scored another goal for 3 – 0, but Boughton survived a scare at the very end of the first half that reminded them that they needed to stay focused in defence.

The pressure from Boughton continued in the second half, which ended with a 6-0 win after a great team performance. Astyn's second hat-trick of the season earned him the man-of-the-match award.
