## Homework Menus & Class Newsletters

Your child will shortly be bringing home their termly class newsletter along with the homework menu (Classes 1-6). Thank you for continuing to support your child with their home learning and daily reading; it is noticeable that children who complete homework and read regularly at home make better progress in school than those who don't. If you have any queries about homework, then please speak to your child's teacher or email them (e.g. [class3@boughton-monchelsea.kent.sch.uk](mailto:class3@boughton-monchelsea.kent.sch.uk)).

## Disco Co-ordinator Needed

The PTA desperately need one or two volunteers who can organise the Infant and Junior discos. This involves getting to the school by 2pm on Friday 9th February and then staying for both discos and clearing up. They will need to organise buying the sausages, rolls and sweets, plus organise the volunteers. Please let the office know ASAP if you think you could do this, otherwise the discos will not be able to run. Members of the PTA can help but just can't organise the whole thing.

## Baby News

We are delighted to announce that Mrs Rebecca Cousins is expecting her third child, due in May.

Congratulations to Mr and Mrs Cousins!

## Italian Theme Day Menu

Please note that Caterlink have organised an Italian theme day menu on Thursday 18 January:

Hawaiian pizza, (ham and pineapple) with jacket potato wedges

Quorn spaghetti bolognese with garlic bread

Coleslaw/ sweetcorn

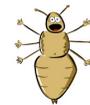

Chocolate sponge and chocolate sauce

Also available: jacket potato & filling, salad bar, homemade bread, yoghurt and fresh fruit.

These options will replace those advertised on the Spring menu.

## Headlice

If your child has or comes into contact with Headlice, Public Health England advise no treatment unless live lice are found nor any exclusion from school. However, they direct you to the NHS website that gives some really useful information -

<http://www.nhs.uk/conditions/head-lice/pages/introduction.aspx>

This link to Public Health England regarding Infection Control in Schools may also be of help - [https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/522337/Guidance\\_on\\_infection\\_control\\_in\\_schools.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/522337/Guidance_on_infection_control_in_schools.pdf)

The treatment, if required, can be sourced for free on prescription at local chemists including Lloyds Chemist in Coxheath and Paydens in Loose under the "Pharmacist First" scheme. This scheme can also offer treatment for hayfever, conjunctivitis and worms.
