

BMPS Sports premium funding 2016-17 - reviewed

Academic year	2016-17	Allocation	£8,900				
Key area	How was this area identified?	Provision	Who for	Cost (£)	Intended impact	Evaluation	Sustainability
To improve opportunities for participation in physical activity at playtimes	Greater opportunities for physical activity and games at lunchtime have been identified as a key area via the school council.	Resources / Storage	All pupils	£300 resources £300 storage	The school council's monitoring shows that children are doing more physical activity at playtimes.	New equipment was available in the summer months, coordinated by the house captains.	Resources and storage remain in place and are ready to use in the spring term.
To develop opportunities for competitive sport, both inter-school and intra-school	We are aiming for the silver 'School games mark' this year. This key area will help us to meet the criteria.	Participation Hosting tournaments Intra-hockey & athletics Inspire to compete Swimming gala	KS2 pupils	£600 equipment £900 inspire to compete £1000 staff cover	Participation records show that an increased number of pupils have participated in inter and intra-school competitions.	Participation increased, and the criteria for the Silver School Games Mark was met. New sports (eg lacrosse) were delivered for the first time at BMPS.	Intra-school programme competitions, including house captain leadership roles, will continue into 2017-18.
To continue staff CPD in PE	The expertise of teaching staff has developed via the CPD sessions provided last year. Netball and cricket are new areas for staff training for 2016-17.	Football Hockey Cricket Netball	All teaching staff	£1370 Sports CPD	Staff skills audit shows expertise in all sports taught at BMPS.	Staff skills, especially in hockey and netball have improved, with staff reporting greater confidence in their teaching.	Teachers will share and apply skills in 2017-18.
To provide opportunities for all pupils to participate in extra-curricular sport	Attendance data shows that uptake of free places has been good. We are aiming to increase pupil involvement in extra-curricular sports even further.	Free sport sessions for all year groups after school Inspire to compete Tennis Multi-sports Gymnastics	All pupils	£3,655 clubs £300 tennis £475 equipment	Participation levels have further increased from previous measures. More pupils report taking part in physical activity outside of the school curriculum.	Participation levels have increased: pupils who reported non-participation in the PE survey are now seen on the extra-curricular registers.	Fully-funded clubs will continue for juniors and infants.
