**BOUGHTON MONCHELSEA PRIMARY SCHOOL**

## School Gardens

We have noticed that some children are leaving the school by running across the grass on the school front gardens, and even by jumping over the wall outside the office.

We are so lucky to have such lovely grounds here at Boughton Monchelsea and it would be such a shame if the grass and shrubs became damaged and worn and stopped looking so nice. It would be even worse if any of the children were hurt by climbing on the wall.

Children should walk safely and sensibly out of school, using the path past the school office and down to the gates. Please save the running around until you get over the road to the recreation ground!

We would like to ask parents and carers to ensure their children do this for the safety of everyone and to keep our gardens looking beautiful for many years to come. Thank you for your support.
