Boughton Monchelsea Primary School musical instrument lessons - Andrew Parry Music

April 2018

Boughton Monchelsea Primary School is happy to inform you that we will be offering the opportunity for your child to learn a brass instrument with the music teaching company Andrew Parry Music. This will be with a brass expert called Ben Jones, and the days and times the lessons will take place is dependent on the amount of interest and Ben's availability.

The current brass instruments we would like to offer lessons on are the following:

- Trumpet
- Cornet
- Trombone
- Euphonium

This opportunity is very well suited to small group lessons, however individual lessons are also possible. We usually aim to teach 5 lessons per half term, 10 across each big term and so 30 over the academic year. Please note that these lessons will cost money, and we usually invoice in groups of 5 or 10 lessons as some form of long-term commitment is very beneficial when learning an instrument. Information of costs per lesson are as follows:

- Group 30 minutes: **£5.50** per student ****limited offer! only available until July 2018****
- Individual 20 minutes: **£9**
- Individual 30 minutes: **£13.50**

We also are able to offer a very affordable rent-to-buy instrument hire service. We will be sending more information about this once we have received your application. More general information regarding this can be found on the website below, alternatively do please get in touch and we'll be happy to answer any questions.

If you would like your child to have brass lessons, please visit the following website which contains more information and a link to complete the online application form. Andrew Parry Music will then be in touch to arrange the lessons.
