Boughton Fest

Thank you to everyone who made BoughtonFest such an incredible success! We are very grateful for the support from parents, staff, governors and other friends of the school in preparing beforehand, volunteering on the day and clearing up afterwards. The PTA committee once again did a fantastic job in making this happen, and special thanks go to Clare Smith, Vicky Davis, Naoimh Edmans, Cheryl Larmour, Kerry Adam, Petra Lintern, Rachel Newcomb and Sam Sanders. You are all amazing!

(There are several items of lost property from the event which can be claimed from the school office.)

Uniform Sale — Monday 9 July — 2.45pm

Our school uniform provider Simmonds <https://www.simmonds-ltd.com/boughton-monchelsea.html> will once again be running a pop-up shop in the Clarke Hall on Monday 9th July. The sale will be open from 2.00pm for parents of children starting Year R in September, and will be open to other parents at 2.45pm.

The discount of 10% is available on all items bought at this sale. Families with 3 or more children at the school from September and those in receipt of the Pupil Premium are eligible for an additional £5 discount, providing this hasn't already been used at our uniform sale earlier this year. It is strongly advised to bring cash for purchases, as it may not be possible to process card payments.

Primary Engineering Event

Classes 1 and 3 have been building buggies as part of a Primary school engineering project. Two children from each class went Canterbury Christchurch University, with their finished buggies.

Here is a report from the day by Isabella VDB and Luke S-W:

We had lots of fun on the journey and definitely at the destination because we saw some amazing vehicles. A couple of minutes after we arrived a judge came over to talk about our vehicle. Then we went for the tests. First we had to get our vehicle up a steep plank of wood. Sadly ours didn't have enough friction. The next test was a straight line test. After that we had a snack. We watched the apprentice level. Then there was a big ceremony, sadly again, we didn't win anything but we got a taking part certificate and a travel cup. We got back in the car with our buggy and the children from Year 1. That was the end of our amazing journey.

School Dinner Money

Caterlink, our school meals provider is concerned at the amount of unpaid dinner monies. Their policy is that ALL meals need to be paid for in advance. Please ensure that any outstanding money is paid immediately. Payment may be made online or by cash/cheque to the school office. Please ask at the office if you are unsure how much is owed.

Thank you

Year 6 Trophies

If your child won a Year 6 trophy last year, would you please return it to the school office as soon as possible so that they may be presented to current Year 6 pupils later this term. Thank you.

Netball News

On Thursday 28th June Boughton Monchelsea hosted The Weald Netball Tournament. The schools that came were Marden and Coxheath who all played brilliantly. Boughton's Year 6 team came first and our Year 5 team came third. Overall all teams played fantastically and it was lots of fun. Boughton Monchelsea got to keep the trophy for another year!
