## **Year 3 Hockey Tournament**

On Thursday, a team of Year 3 hockey players went to Maidstone Hockey Club for a mini tournament with two other schools. Despite the cold, windy conditions the mood among the players was positive, they had a coaching session to start with which all 3 schools took part in.

Our first match was against East Farleigh, we battled hard and after a couple of close chances we finally took the lead through a brilliant goal by Andrew. This really gave us some confidence and after some great defending, Reuben took the ball deep in the opposition half, dribbled the ball the length of the pitch, took on the keeper and scored to seal our win 2-0.

The second game was against Loose, spirits were high and we were up for the challenge. It was a tough game, some great defending and attacking by both sides which saw the game finish 0-0.

A huge well done to all our players who were a credit to our school and a big Thank you to the parents who helped with transport and supported the team.
