Behaviour Policy Launch

It was good to see so many parents joining us on Wednesday for our Behaviour Policy meeting, which we hope you found interesting and informative. The presentation from the evening is now available on the school website here

Sayers Shield

The children are working hard on finishing their Sayers shield project, and we are really looking forward to seeing what they have created. We would like children to bring their projects in to the hall on the very first day of term.

Mr Sayers will be visiting the school on Friday 26th April to award prizes to the lucky winners, and parents and carers are invited to come in after school to see all the projects on display.

If your child was a winner last year, please **return their trophy** to the school office by **Wednesday 24 April** so that it may be awarded to one of this year's winners. Thank you.

Art Club

There are still spaces available at Art Club for term 5. If your child is in Year 3 or Year 4, then please do register your child's interest at the School Office before the end of term, as we may be able to include them in the term 5 group. The club will take place on Mondays from 3.15pm – 4.30pm and there will be a charge of £2 per session to cover the cost of materials.

Hockey News

Over the last two Thursdays, the Class 6 hockey team have played matches against other schools at Maidstone Hockey club. Although they were undefeated last week, this week some very close games went against them. The children played very well, and with a great team spirit. Congratulations to everyone who played, and a huge thank you to the parents who provided transport - we couldn't have taken part without your help.

Swimming Achievement

Congratulations to Molly C in Yr 4 on her Swimathon. Last weekend she swam a mile, (64 lengths), a personal best. Molly was swimming to raise money for Cancer Research and Marie Curie. So far she has raised £125, an absolutely brilliant achievement. Well done Molly.

Marathon Countdown

This year's marathon is on 28th April, there are **only 23 days to go!**

Our intrepid runner Simon sent us his latest training update:

"I completed 20 miles on Sunday in around 2 hours and 53 minutes so training is still on track, I have my longest run this weekend of 22 miles and then tapering down the miles and carb loading for the last two weeks."

Current donations stand at £215 but Simon is aiming to raise £1200 to improve our playground equipment so that our children can enjoy the benefits of outdoor exercise and play. The PTA have planned some amazing equipment, it would be absolutely brilliant to raise sufficient funds to improve playtimes for our children.

Please support us by giving whatever you can and encouraging friends and family to do the same.

Follow this link to get to Simon's Justgiving page or if you would prefer, please put your donation in a sealed envelope marked 'marathon' and hand it in to the school office.
