### Year 1 Trip to Wildwood

As part of our topic on Enchanted Woodlands Class 1 had a fantastic trip to Wildwood this week to find out more about the animals and trees we find in British woodlands. We all had a great day and the children loved being able to touch an owl's claw to find out just how sharp they are and were super brave walking the rope bridge over the bears!

### Year 6 Meeting

With the children's visit to Hilltop Outdoor Centre only a few weeks away, we would like to invite Year 6 parents to a brief meeting at 6.00pm on Wednesday 12th June. This is to go through the final arrangements for the trip and the itinerary for the days we are there. There will also be an opportunity to answer any final questions that you have.

The children have been given the Hilltop kit list today (they said they would like to have it over half term!), so please check with them that they have it. Any questions about the kit list can be asked at the meeting too.

If you are unable to attend please don't worry. All the information we go through will be available on the school website, and Mr Stevens will be happy to answer any individual questions either via email or after school.

### Andrew Parry's Rock School

Andrew Parry Music will be running 5 Summer Rock School courses in 3 different locations, so there will be something for everyone. These courses are great opportunities for budding rock stars to try out instruments in a band with people of a similar age and music tastes. They end with a performance that will be recorded and downloadable after. They are suitable for both total beginners or for students who have had lessons, APM are very accommodating. Our summer rock schools are the highlight of their year, they are so much fun! Get in touch if you have any questions or please visit their website for more information and to apply:
