What can we, as a school community, do to prepare children to be responsible global citizens?

How else could we do promote respect and empathy?

How can we encourage children to be more resilient and independent?

How can we do more to promote excellent outcomes?

Football News

After their stunning quarter-final win, Boughton boys football qualified for the semi-final at Greenfields School on Monday. Despite brilliant effort and great performances they were defeated by two strong teams from Allington and West Borough.

This was the first Boughton Monchelsea team to have got this far in the league competition and on top of their 3rd place finish in the recent tournament, they should look back with pride at a very successful season.

We are grateful to all the parents who have helped with transport and supported the team over the last two years.

Finally, thank you to the whole team for all their effort, commitment and team work. You'll be a hard act to follow!
