

Parent Online Safety Agreement

- I know that my child will receive online safety education to help them understand the importance of safe use of technology and the internet, both in and out of school.
- I am aware that any internet and computer use using school equipment may be monitored for safety and security reasons.
- I understand that the school will take all reasonable precautions to ensure that pupils cannot access inappropriate materials.
- I understand that if the school has any concerns about my child's safety online, then I will be contacted.
- I understand that if my child does not abide by the Pupil Online Safety Agreement then sanctions will be applied in line with the school's Behaviour and Anti-bullying Policy. If the school believes that my child has committed a criminal offence then the Police will be contacted.
- I, together with my child, will support the school's approach to online safety (e-Safety) and will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the school community.
- I will visit the school website for more information about the school's approach to online safety as well as to access useful links.
- I will model safe online behaviour (e.g. sharing images, text and video responsibly) and by discussing online safety with them when they access technology at home
