Farewell!

We are sadly saying goodbye to Mrs Crossley-Roberts who is stepping down from her role as Music Teacher for personal reasons. Fortunately, we have found an excellent replacement in Mrs Penny Thomas, who will take over as Music Teacher for Classes 1, 3, 4 and 5 from next week.

At the end of term, we will be saying goodbye to Miss Nikki Koritsas, who is moving on from her role as Midday Supervisor at Boughton. We wish both colleagues the very best for the future.

Harvest

From Monday 5th October, we will be collecting donations of non-perishable food for the food bank at Maidstone Homeless Care. The food bank in Maidstone has recently seen an increasing number of individuals and families applying for help partly because of the impact of Covid 19 and so donations are particularly welcome this year. Items will be collected and quarantined before being passed on. Thank you for your support.

P.E. Kit

We have noticed that several children in Key Stage 2 have missed P.E. sessions recently, as they haven't brought their kit with them. Physical Education is part of the National Curriculum and all children need to be ready to take part in P.E. lessons, unless we have been informed that there is a medical reason for non-participation. For outdoor P.E., children may wear a plain navy sweatshirt or tracksuit top and navy sweat pants.

Photographs

Individual and sibling photographs will be taken on Thursday 8th October so please make sure your child is wearing their uniform smartly, with plain hair fastenings. Unfortunately, we cannot include pre-school children in the family photos, due to Covid restrictions.

Thank you to James Beale who came in to take photographs of various aspects of learning around the school yesterday. The photos will shortly be available to see on our website and displayed around the school.
