Remote Learning Strategy

There is a risk that one or more classes may be required to self-isolate during the pandemic and so have prepared our remote learning strategy, which can be found on our website here <https://boughton-monchelsea.kent.sch.uk/learning/home-learning/>.

The parents' guide to Google Classroom is also available on the Home Learning page.

Antibullying Week

This week is Antibullying Week, and we have been thinking in class and in assemblies about how we can prevent bullying at our school. Below are some resources which may be useful if you would like to continue the conversation at home.

Booking and Paying for Wraparound Care

From Term 3, we will be using an online system called Tucasi for bookings and payments for Breakfast and After School Club. The office staff are currently setting up the system and you will receive more information before the end of Term 2 on how to access and use it. Childcare vouchers will still be accepted.

Parent Consultations

We are looking forward to our virtual meetings with you next week. Please see the information sent out last week about how to book your meeting. Teachers will send the Zoom meeting link ahead of your session. Please help us to stick to our timings by being ready to join the session promptly.

Parent Council

We had a very constructive Parent Council meeting on Tuesday which covered all the comments, suggestions and queries raised by parents in the class meetings. The minutes of the meeting will be shared when they are available.

Xmas Spirit Shoe Box Project

Thank you to everyone who has responded to Karly and Oliver Goble's request for help with the Xmas Spirit Project. It has been suggested that it would be lovely if the children could draw a picture to include in their box. For more information, contact either Karly Goble on 07725 084243 or Karen Filmer on 07702 727087. The deadline for donations is Friday 18th December.

Tree Appeal!

We are looking for a kind benefactor to provide a Christmas tree for the school hall this year. Please contact the School Office if you can help.

Infant Production

Sadly, we won't be able to host our usual Nativity play this year but Classes R, 1 and 2 will instead present a video recording of Christmas performance of carols and readings, which will be available before the end of term.

We hope you all have a lovely weekend!
