Friday 12th February

Half term at last!

Well done everyone. You've made it to the end of a long and challenging term. I hope that you have been able to enjoy the snow and some lovely winter sunshine this week.

Library Project

We are thrilled to be able to announce that thanks to the incredible efforts of the PTA, we have reached our target of £42,000 for our library refurbishment project! This is an amazing achievement at a time when we haven't been able to hold our regular fundraising events and is credit to the determination and imagination of our wonderful PTA. Thank you all so much. We are hoping to be able to start the building renovation works during the Easter break, but we are aware that this may be delayed again due to Covid restrictions and the availability of contractors. We are still aiming for completion of the project by the summer, so that our new library will be open for pupils in September 2021 at the latest.

KCC Libraries

In other library news, attached with this newsletter is information from KCC Libraries about library and online safety resources.

Thank you

On behalf of the staff I would like to thank you all for your support and understanding over the past term. Your words of encouragement have really meant a lot to us and we know how hard you have all worked to support your children's learning at home. We really are looking forward to the time when we can welcome all children back into school and we can't wait to see everybody again.

Below is a snapshot of the week's learning at home and at school – well done everyone.

Have a restful half-term break – you have earned it!
