## Pupils of the Week

Well done to this week's Pupils of the Week. Their certificates and golden ties have been awarded in class assemblies today.

Class R	Amy M.	For always working hard in everything she does and being a good role model
Class 1	Evan M.	For showing determination to produce some fantastic writing
Class 2	Emily J.	For a great attitude towards all her learning this week
Class 3	George H.	For taking pride in his writing and creating an excellent story
Class 4	William S.	For writing an excellent recount
Class 5	Casey V.	For a fantastic persuasive leaflet
Class 6	Daniela M.	For always producing high quality work across the curriculum

## Handwriting Policy

We have been looking at making our expectations regarding handwriting consistent throughout the school, ensuring that children develop necessary, age-appropriate skills. Our Handwriting Policy can be found on the school website [here](#)

## Mainstream Core Standards

Kent County Council have produced a document, entitled "Mainstream Core Standards" setting out the provision that the local authority expects to be made available for children and young people with Special Educational Needs and/or disabilities attending mainstream schools. Our school staff have had training in using this document, which will help to ensure that we are offering a good level of support for pupils with SEND and their families. A guide for parents and carers can be found on the SEN page of our website [here](#)

## Red Nose Day

Thank you to everyone who has dressed in red and given a donation for Red Nose Day today. The total collected so far is £355 which will go to support Comic Relief projects in the UK as well as around the world.

## Wildflower Glade

On Tuesday, Class 1 joined members of Boughton Monchelsea Parish Council to plant wildflower seeds to create a bee-friendly wildflower meadow. They enjoyed learning about how this will help support local wildlife and are looking forward to returning to see the flowers when the weather is warmer.

## Letter from Mrs Chapman

Welcome back! It has been so lovely to see all the children back at school and adapting so well to all the changes! Isn't it great to get back to a little bit of normality after a very challenging few months for everyone.

I thought I would just pop a note out to you all to let you know when I am around. It's a little tricky at the moment to be able to catch me face to face like before, with not currently being able to be mix on the playground. However, I am here! My working days are Wednesday, Thursday and Fridays, I am in class on Thursday and Friday, but you can always reach me via email [leann.chapman@boughton-monchelsea.kent.sch.uk](mailto:leann.chapman@boughton-monchelsea.kent.sch.uk) or via the school office 01622 743596, and I will always get back to you as soon as possible. Please feel free to contact me with any worries or concerns that you might have with your child, or as a family. I will always do my best to support you in any way I can, or direct you if necessary.

Part of my role is to provide advice for parents about areas like healthy eating. We all know how tricky it can be to encourage children to eat a varied, healthy diet so I have put together some information and suggestions from [www.nhs.uk/change4life](http://www.nhs.uk/change4life) which I hope you will find useful - there are some super ideas!
